

## ***THE COMMUNITY NEWS - At The Residences Of Sawmill Creek***

*November 2007*

Welcome to our community newsletter, designed to inform and engage existing and new members of our resort lifestyle community at The Residences of Sawmill Creek in beautiful Bluewater Country, just outside Sarnia, Ontario.

### **Real Estate Update**

We have welcomed several more families to the Residences of Sawmill Creek this summer. Our first enclave, St. Andrews Circle has matured in its first year with landscaping, custom plantings by owners and the completion of the Community Common. Residents can now travel by golf cart around the property through the access at the community common. A sitting area with Muskoka chairs and fireplace complements the putting green and open spaces.

Deckside living this summer and fall became the norm as residents customized decks with awnings, sun filters, furniture, flower pots and plantings. Should existing residents wish to consider any of these optional products (awnings, sun filters) next season, we will be pleased to arrange.

Our model homes are open on weekends from 11am to 2pm or by appointment with Carol Vriesinga (519) 542-9999. Existing purchasers are reminded of our ongoing referral program for friends who are pre-registered with Carol and upon their purchase, you can benefit with a \$1,300 credit to your Sawmill Creek account.

### **Around the Resort**

Our next phase of servicing commenced in October. Turnberry Lane will be complete in late November for spring 2008 home construction. Several detached and manorhomes are actively under construction. This will provide a small inventory of built homes where final finishing touches can be added by purchasers with shorter closing dates in early to mid 2008.

The swimming pool, deck and poolside cabana opened in June for residents and golf members alike. The pool and deck were well received for a relaxing dip, snacks and conversation over drinks. The background music is a nice touch.

This oasis is bound to become the 'hub' of the resort.

### **Fun at the Residences**

There is always activity at Sawmill Creek. In addition to a variety of golf opportunities, residents enjoyed a tasting menu evening in September with our executive chef Jason. Later in the month, a croquet afternoon was held at the Community Common to socialize and try a new hand at an old game.

### **Further Information**

Should you require further information with respect to construction or customer service matters please contact Frank Muto (519) 899-2541. Should you have questions about Sawmill Creek Golf Resort and Spa, please contact our General Manager, Matt Alexander at (519) 899-4653 ext 225.

### ***Resident Concierge Services***

Our resort concierge services were introduced earlier this summer at Sawmill Creek. Current services include providing fresh cut flowers, a take out menu and delivery, catering for private functions at your home (the clubhouse or pool area, in season) and in home spa treatments. Services are charged to your member account. We would appreciate your feedback such that we can truly pamper you and meet your needs.

### ***Upcoming Activities***

The cooler months are upon us with seasonal decorating around the corner. The clubhouse will soon take on a festive appearance for a variety of Christmas functions. The Residences no doubt will take on a seasonal theme as well. Watch for seasonal banners on our streetscape in December.

Braveheart Pub is open weekdays from 4 pm, weekends from 7 am, Seasons Lounge from 7am to 4pm and fine dining in Seasons Dining Room, Thursday, Friday and Saturday from 5pm.

Watch your golf member newsletter for two upcoming events, namely, the Murder Mystery Night on Friday, November 16<sup>th</sup> and the New Years Eve Gala to welcome in 2008.

In addition, there is a Residents Seasonal Gathering scheduled for Thursday December 20<sup>th</sup>, more details to follow shortly.
